Vermont Public Service Department Seeking Public Input on Regional Electricity Affordability Strategies

Montpelier, Vt. – As the recently elected Chair of the Coalition of Northeast Governors (CONEG), Governor Phil Scott launched the Regional Affordability Initiative. Five New England states have appointed representatives to participate. Through regional coordination with energy stakeholders, it is CONEG's goal to make energy costs more affordable in the New England region.

As part of these efforts, the Vermont Department of Public Service will hold a public meeting to gather input from Vermonters and Vermont stakeholders for the Regional Affordability Initiative.

All are welcome to attend.

What: Public Hearing

When: Friday, June 22nd, 2018, at 1 p.m.

Where: Pavilion Auditorium at [109 State Street in Montpelier, VT](#)
